

JOHN RUGGE, M.D.
Biographical Sketch

John Rugge is a family physician and founding CEO of Hudson Headwaters Health Network.

Hudson Headwaters is a Federally Qualified Health Center that is the only local medical provider for a portion of the Adirondack Mountains that is larger than the state of Rhode Island as well as being the safety-net provider for the Glens Falls micropolitan area.

Over the years, Dr. Rugge has served on various health policy councils in Albany and Washington. He is currently a Board Director of the state's Primary Care Association, the regional health information organization (RHIO) for New York's Capital District, and the Primary Care Development Corporation. He is also a member of the State Hospital Review and Planning Council.

For the last two years, he has been a co-organizer of the Adirondack Health Institute, the coalition of providers participating in the Adirondack Region Medical Home Pilot.
